

Finance Committee

6/12/07

Attendance: Chair Scott Garrett, Rachel Barrett, Lloyd Billman, Jim Moore, Mark Manlove, Phil Snyder, Ed Paridan

- BWC payments will be completed by 4/20/08
- Sewer Plant to be paid off in 2009, both sewer and water funds are not in good shape even with January's increase.
- The committee discussed the possibility of a council/mayor pay increase. Presently council receives 125.00 a meeting, council president 145.00 a meeting and the mayor \$6,750.00 a year.
- Bill Pennington passed his test and now has his class one water license and is our water superintendent. Bruce Riniger works under Bill in the Water Plant. Roger Stier is the sewer superintendent and Dove Fall works under him. Josh Sweet has been hired as summer help.
- The parking lot behind the community building is finished and the contractor has been paid
- The community building has been invaded by birds. The floor has been damaged by bird droppings. Dave Conzine will restore the floor for 500.00 which is the cost of materials.
- Maurice said he would build a handicap ramp in the front of the community building which would also service the library for around 350.00 which will come from the rental fund.
- \$60,000 dollar grant will provide sidewalks from the bank to the hardware. The sidewalks will be 4 foot wide and four foot thick, this is part of the community road project.
- The chief of police would like us to consider putting Office Wilmington on full time. Jim Moore said he and Lloyd will meet with the chief and crunch numbers to see if the move is possible.
- Meeting ended 7:15
- Respectfully submitted by Scott Garrett
