2008 SENIOR DISCOUNT APPLICATION

Name on Account: Last First Middle (Please Print)

Address: Account Number

Phone Number: Birth Date:

Total Monthly Income: Source (s) of All Income:

Please list all other residents in your home including names, ages, monthly income and source of income:

Table with 4 columns: Name and Relationship, Age, Monthly Income, Source of Income

Please be advised that the discount is based on total household income. All members of your household that receive any type of income must be included. All names will be crossed reference with the Income Tax Department (both Local and State) for accuracy. According to Ordinance No. 923.03 (c), in order to be eligible for this discount there must be an annual proof of age (65 or older) and proof of income filed annually by February 1st.

Please attach proof of income and proof of age for household. Total household income must not exceed \$20,000 per year. If we find through computer (Local and State) research that you have falsified the information on this application, your discount will be terminated immediately and you may be responsible to repay the discounts already received. This discount reflects 50% of water only, provided 3000 gallons being the minimum usage.

Note: If you are currently receiving the Senior Discount you must complete and return this form to continue the discount. If this form is not returned by Feb. 01, 2008 the current discount will be terminated.

The above information on the discount application is accurate to the best of my knowledge. I have also provided the Village of Windham with accurate information concerning my residence, proof of income and age for all members of my household.
