## **Safety / Personnel & Rules Committee January 9, 2007 at 7:30 PM**

**PRESENT:** James Moore, Mayor  
Marian Garrett, Council Member  
Rachel Barrett, Council Member/Chair  
Mark Manlove, Village Solicitor  
Clair Simpson, Fire Chief  
Mike Iwanyckyj, Asst. Fire Chief  
Philip Snyder, Resident

Meeting called to order at 7:30 PM.

### Fire Department:

Fire Chief Simpson submitted current roster for Fire Department listing officers, regular and reserve firefighters, cadets and EMT's; submitted a proposal received from Sprint for five phones at a cost of \$126.37 plus tax per month – still checking other options; reported new truck should be ready for service by this weekend.

### Police Department:

Notice received, as of April 2007, Law Enforcement Automated Data Systems (LEADS) will no longer provide equipment or maintenance. Current equipment will become property of Village and Village will have to provide its' own maintenance.

Police Chief Ed Perdian has requested the purchase of a recording machine for phone calls; has hired two part time officers (this will cut down on overtime).

Mayor Moore reported Paris Township is looking for a department to dispatch police and fire calls. They need to submit information on previous calls for Village to review and consider. Fire Chief thinks Paris calls are around two hundred a year.

Respectfully submitted by:

Rachel Barrett, Chair
