

Utility Committee
7/13/2006 6:00 P.M.

Those in attendance: Kevin Knight, Jody Minotti, Jason Debolt, Rachel Barrett and Chair Scott Garrett.

- The Utility committee has decided to resend the meter ordinance that was set to raise utility rate \$5.00 a month as a maintenance fee. This ordinance will be discussed in committee.
- A water line that runs underneath the new bank is going to be located needs to be moved. The cost for moving the pipe is around \$2,500.00 dollars
- A water valve that is located under the road on East School Center Street needs to be repaired. Kevin said they will complete this task in the evening since water service will be shut down for much of the east part of Windham.
- The water hydrant that is located on the edge of Harbison Walker field will be moved to Center Street in front of the restaurant.

Meeting ended 7:55 P.M.
