1993 MAYOR'S ANNUAL REPORT TO COUNCIL
(OHIO REVISED CODE SECTION 733.41)

I appreciate the vote of confidence the citizens of the Village of Windham has given me and the newly elected members of Council.

During the past eight months, several positive steps have been taken to bring the Village back to a sound financial base. These include collection of delinquent water and sewer revenues, income tax revenues, and cost effective management of current revenues.

We have several goals to achieve this year to improve service to the Village of Windham, which include additional police protection, upgrading of equipment in the Street Department, and upgrading of our computer in the Administration Office to more efficiently handle the workload.

I would like to take this opportunity to thank our Village Administrator Patricia Moore, all Council members, Village Administration and all volunteers of the past year for all their efforts and hard work in improving the quality of life in the Village of Windham.

Respectfully Submitted,

Michael D Archon, Mayor
(Term Expires 12/31/95)
