MAYOR'S ANNUAL REPORT 1997
(Ohio Revised Code Section 733.41)

The Village has experienced a sound financial base for 1997 in all but one department due to several reasons, delinquent tax collection and delinquent water/sewer revenue collections and controlled spending. The new computer system has also aided in better tracking of funds that the Village is currently monitoring.

Respectfully submitted,

Michael D Archon
Term expires 12/31/1999
